

ADMINISTRATION

Superintendent – Dr. Paula Valenti
Principal – Mr. John Arlotta
Assistant Principal – Mr. Michael Pasciuto
Director of Special Services – Dr. Linda Edwards
Director of Curriculum and Instruction – Dr. Kathleen Regan
Director of Student Personnel Services – Mr. Lawrence A. Wolff

GUIDANCE COUNSELORS

Ms. Ellen Barrett, Ms. Theresa Caren, Mrs. Rochelle Eaton, Ms. Laura Vargo

COMMUNITY

Glen Rock is a suburban, residential community located in Bergen County, New Jersey, within easy commuting distance of New York City. This proximity provides an opportunity for the school and students to take advantage of metropolitan cultural and educational facilities. The majority of the working population commutes to employment outside of the community, utilizing nearby highways and rail facilities. An upper-middle class economic standing predominates, with the majority of parents working in professional, technical, and managerial occupations.

The community, celebrating 60 years of academic excellence, has nurtured and developed a deep interest and involvement in sustaining quality education; thus, the high school curriculum is in direct response to this end.

THE HIGH SCHOOL

Glen Rock is a comprehensive public high school accredited by the New Jersey State Department of Education. There are 714 students enrolled in grades 9 – 12, who, in addition to pursuing a rigorous academic curriculum, are actively involved in a variety of extra-curricular, athletic, and community service endeavors. The school year is divided into two semesters, and students take mid-term and final examinations in all subjects.

The school provides students with the opportunity to take Advanced Placement courses, a sequence of Honors and Advanced courses, College Preparatory courses and courses in Fine Arts, Applied Arts, Business Education, and Computer Technology, as well as dual-enrollment classes with local and national colleges. The Bergen County Technical Schools provide vocational and technical training. Advanced level courses are also available in Theater Arts, Industrial Arts, Photography, Fine Arts, and Journalism. Enrichment opportunities are also available at the college level through Dual Enrollment, and Employment/Internships are offered through the Career Study Program.

THE STAFF

96 Staff members are at the High School
 90% Have Masters Degrees or Equivalent

GUIDANCE DEPARTMENT

There is one Director and four full time Counselors for students in grades 9–12. High School students are assigned a counselor who will follow that student from grade 9 through graduation. The average student-counselor ratio is under 200. Glen Rock High School encourages visits from college admission representatives, and opportunities are provided for juniors and seniors to meet with such representatives in the Guidance Office. The Guidance Department also sponsors an annual College/Career Fair, usually the last week of October.

STATISTICAL INFORMATION CLASS OF 2016

Graduates – 192	Post High School Plans
Four-Year Colleges	90.0 %
Two-Year Colleges	5.0 %
Other – (Career School, Military, Gap Year)	5.0%

OTHER PROGRAMS

New Jersey Governor's Schools, Edward J. Bloustein Distinguished Scholars, New Jersey High School Academic Bowl, New Jersey Mathematics League, New Jersey Classical League, New Jersey Gold Division of DECA, and AP Scholars

GRADING AND RANKING

Students earn letter grades, A+ through F. Grade point average is calculated on a weighted 4.0 scale, with additional credit for Honors (.3) and Advanced Placement (.5) Courses. A minimum of a B- is encouraged for all college bound students. Students take six or seven subjects in addition to physical education and health each year. English, Mathematics, Science, and Social Studies classes are ability grouped. Lowest Numerical Grade Equivalents: A- = 90, B- = 80, C- = 70, D- = 60 and F = 59 or below.

The Glen Rock Board of Education passed a resolution for the Class of 2007 that has abolished reporting Class Rank. The student population at Glen Rock High School is high achieving and, at many points, a homogenous group. The reporting of a precise rank has often led to under-representing student achievement.

GRADUATION REQUIREMENTS

Each student must earn a minimum of 130 credits to receive a Glen Rock High School Diploma. Credits must include:

- 15 credits in Social Studies
- 20 credits in English
- 15 credits in Mathematics
- 18 credits in Science
- 20 credits in Physical Education / Health
- 10 credits in World Language
- 6 additional credits from one of the following areas:
 - English, Social Studies, Mathematics, World Language, Science, Co-op / Vocational Programs
 - 5 credits in 21st Century Life and Career Education
 - 10 credits in Performing Arts: Music, Art, Drama, or Writing
 - 2.5 credits in a Financially based elective

Please consult the reverse side for a complete list of course offerings.
